BGMS Film Club

What:
Film Club is an after school activity, open to students interested in learning more about the Holocaust. Students meet after school to view and discuss Holocaust related films to further their understanding of these events. All films are pre-screened to be school appropriate. Popcorn will be provided, but students are responsible for their own drinks.

Due to the more mature content of the topic, Film Club is open to 8th grade students only, unless prior approval is given by Mrs. Blazer.

When:
Film Club meets approximately once a week after school until around 6:00. Times may vary slightly depending upon the length of the film. Emails and text alerts will be sent out in advance to announce upcoming events.

If you would like to receive text alerts… The alerts are managed via Remind101.com and do not allow student/teacher conversation nor do they reveal either parties phone number. I, as the account administrator, type a message, hit send, and it distributes the message to all subscribers. Standard text messaging rates do apply. If you, or your parents, would like to receive text alerts for Film Club, please follow the following instructions:

Text: @36ad0 to 1-331-208-5707

It will automatically request your name, so I have a record of who is signed up and then you are done!

Where:
Film Club will meet at BGMS in room 13 with Mrs. Blazer.

Expectations:
- You do not have to come to every meeting of Film Club in order to participate
- RSVP for films - if less than 10 sign up for a film, then the meeting will be canceled
- Remain quiet & respectful during films - do not come to sit & talk or play on your cell phone
- Stay for the 5-10 minute discussion after the film & help clean up
If you are unable to follow the guidelines set for Film Club then you will no longer be allowed to participate.

Films to be shown...

Anne Frank: The Whole Story
The Boy in the Striped Pajamas
Hidden in Silence
Life is Beautiful
The Devil’s Arithmetic
Escape from Sobibor
Nazi Hunters
Holocaust: A Music Memorial Film from Auschwitz

Note From Mrs. Blazer:
I am always on the lookout for Holocaust related films, so if you know of one that would be appropriate, please let me know! I will add more films as I find them! I would love to make this last all school year, but it depends on how many movies/documentaries I can find that are school appropriate! :
